

### Parent Consent Form

- 1 I understand that, while UK Lions staff will take all reasonable care of my daughter/son, they cannot necessarily be held responsible for any loss, damage or injury suffered by my daughter/son resulting from the tour.
- 2 I agree to my daughter/son taking part in all organised activities, and I will inform UK Lions staff of any medical conditions (including allergies) which could affect her/him together with any dietary requirements prior to departure on the tour. Details of any prescribed medication and prescription instructions will be provided, and any prescribed medication will be clearly labelled and kept safe by my daughter/son, or given to UK Lions staff.
- 3 I agree that my daughter/son will abide by the rules governing the trip and decisions made by the party leader at any time. In the unlikely event of my daughter/son behaving in an irresponsible manner, putting her/his own well-being or that of any other members of the group in jeopardy, I agree that she may be sent home at my expense.
- 4 Players will respect the location they are staying, and abide by any local rules such as fire procedures and accommodation access.
- 5 Players are responsible for their performance, and that includes going to bed promptly at a time agreed with the Team Manager/Head Coach. Players must arrive for all meals punctually and eat sensibly. No smoking and no alcohol.
- 6 I agree that UK Lions staff may be in 'loco parentis' and that, should an emergency arise, including medical, they may act in my daughter/son's best interests if unable to communicate with me. Emergency contact details have been provided to UK Lions staff.
- 7 I give consent for UK Lions staff to have my daughter/son's mobile phone number during the tour, in case of emergencies, and that this will be shredded immediately afterwards.
- 8 I consent for photographs, in sporting context, to be taken of my daughter/son; this includes match video.
