Hockey Protection

It is the responsibility of the parent / guardian to provide and ensure that your child is wearing shin pads and a mouth guard at each UK Lions session. If players arrive without a mouth guard they will not be able to participate. A left hand glove, especially for defenders, is strongly advised. Face masks and abdominal protection are required for those involved in defending penalty corners.

Communication

We will communicate with you by e-mail or phone, and you consent to receive communication from UK Lions for this purpose. You agree that all agreements, notices, disclosures and other communications that we provide to you electronically satisfy any legal requirement that such communications be in writing. We will not share your your personal information with any external companies without your consent. You also agree to share your email with other parents of UK Lions players to assist in communicating to the squad as a whole.

I agree to the statements above with regard to hockey protection and communication.

Medical Support

It may be essential for the Team Coach or Manager accompanying your child to provide basic first aid or to call for dedicated medical assistance. Any action will be undertaken as being in the best interest of your child, and parents will be contacted immediately if any accident occurs. EH Guidelines will be followed with respect to concussion injuries.

I agree to first aid trained UK Lions staff providing basic first aid and medical treatment to my child should the need arise. Staff may also call for additional medical support should it be required.
